**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We use Sonic as our internet/phone provider because the service and cost is so much better than the other larger providers in our area like Comcast and ATT. We have cut our bill substantially. And, the customer service is outstanding.

We work from home and need the support of a smaller more competitive company.

The more competition the better in this industry.

Do not limit broadband competition. It is not in keeping with a free market economy and harms consumers.
